SUPERSEDING INDICTMENT

The Grand Jury charges:

GENERAL ALLEGATIONS

At all times relevant to this Superseding Indictment:

The Medicare and Medicaid Programs

1. Medicare is a federally-funded program administered by the Centers for Medicare and Medicaid Services ("CMS"), a federal agency within the United States Department of Health and Human Services. Medicare provides health insurance for, among others, persons aged 65 and older, certain younger people with disabilities, and people with end-stage renal disease. Individuals who receive benefits under Medicare are referred to as Medicare beneficiaries. Medicare is a "health care benefit program," as defined by Title 18, United States Code, Section 24(b) and a "Federal health care program," as defined by Title 42, United States Code, Section 1320a-7b(f).

2. The Medicare Program includes coverage under two primary components, hospital insurance (Part A) and medical insurance (Part B). Part A of the Medicare Program covers, among other services, certain eligible home health care costs for medical services provided to beneficiaries because of an illness or disability that causes them to be homebound. National Government Services is a company that contracts with CMS to process and pay certain Part A claims. Part B of the Medicare Program covers the costs of physicians' services and other ancillary services not covered by Part A. Wisconsin Physicians Service ("WPS") is a company that contracts with CMS to process and pay certain Part B claims.

3. Payments under the Medicare Program are often made directly to the provider of the goods or services, rather than to the beneficiary. This direct payment occurs when the provider submits claims to Medicare for payment, either directly or through a billing company.

4. Physicians, clinics, and other health care providers including home health agencies are able to apply for and obtain a Medicare "provider number." A health care provider who is issued a Medicare provider number is able to file claims with Medicare to obtain reimbursement for services provided to Medicare beneficiaries. A valid Medicare claim must set forth, among other things, the beneficiary's name, the date the service was provided, the cost of the service, and the name and identification number of the physician or health care provider who ordered the service.

5. Medicaid is a federally-assisted grant program for the states. CMS administers the federal assistance to Medicaid. At the state level in Michigan, the Department of Community Health, Medical Services Administration, an agency of the State of Michigan, administers Medicaid. Medicaid provides health insurance to Michigan residents who are indigent or otherwise do not have traditional insurance coverage. Physicians, clinics, and other

health care providers including home health agencies are able to apply for and obtain a Medicaid “provider number.” A health care provider who is issued a Medicaid provider number is able to file claims with Medicaid to obtain reimbursement for services provided to Medicaid beneficiaries. A valid Medicaid claim must set forth, among other things, the beneficiary’s name, the date the service was provided, the cost of the service, and the name and identification number of the physician or health care provider who ordered the service. Medicaid is a “health care benefit program,” as defined by Title 18, United States Code, Section 24(b) and a “Federal health care program,” as defined by Title 42, United States Code, Section 1320a-7b(f).

COUNT 1
(Conspiracy to Pay and Receive Health Care Kickbacks)

Paragraphs 1 through 20 of the General Allegations section of this Superseding Indictment are realleged and incorporated by reference as if fully set forth herein.

21. Beginning by 2008 and continuing to January 24, 2012, in the Western District of Michigan, and elsewhere, the defendants,

BABUBHAI RATHOD, aka "Dr. Bob,"
RAJESH MAKWANA,
RAJU NAKUM,
LINO S. DIAL, Jr., D.O.,
NATALIE SCHUTTE, P.A.,
ANDRE BLAIR SMITH, M.D.,
CLINTON JAMES CORNELL, P.A., and
JOHN ERIC ROBERTS, P.A.,

did knowingly and willfully combine, conspire, confederate and agree with each other and with others known and unknown to the grand jury, to commit certain offenses against the United States, that is, to violate Title 42, United States Code, Section 1320a-7b(b) by:

a. knowingly and willfully paying and offering remuneration, specifically kickbacks and bribes, directly and indirectly, overtly and covertly, in return for referring beneficiaries for the furnishing and arranging for the furnishing for any item and service for which payment may be made in whole or in part by a Federal health care program; and for the purchasing, leasing, ordering, and arranging for and recommending the purchasing, leasing, and ordering of any good, item, and service for which payment may be made in whole and in part by a Federal health care program.

b. knowingly and willfully soliciting and receiving remuneration, specifically kickbacks and bribes, directly and indirectly, overtly and covertly, in return for referring beneficiaries for the furnishing and arranging for the furnishing for any item and service for

which payment may be made in whole or in part by a Federal health care program; and for the purchasing, leasing, ordering, and arranging for and recommending the purchasing, leasing, and ordering of any good, item, and service for which payment may be made in whole and in part by a Federal health care program.

Purpose of the Conspiracy

22. It was the purpose of the conspiracy for the defendants and their co-conspirators to unlawfully enrich themselves by paying and receiving kickbacks for the referral of Medicare and Medicaid beneficiaries for electrodiagnostic testing, physical therapy and home health care services that were submitted to Medicare and Medicaid for payment.

Manner and Means of the Conspiracy

The manner and means by which the defendants and their co-conspirators sought to accomplish the purpose and object of the conspiracy included, among others, the following:

23. BABUBHAI RATHOD, RAJESH MAKWANA, and RAJU NAKUM would recruit health care professionals and others to refer beneficiaries to medical offices, rehabilitation facilities, and home health care companies owned and operated by BABUBHAI RATHOD for electrodiagnostic testing, physical therapy and home health care services. BABUBHAI RATHOD, RAJESH MAKWANA, and RAJU NAKUM would pay and direct the payment of kickbacks at agreed rates to co-conspirators who referred beneficiaries for electrodiagnostic testing, physical therapy and home health care services.

24. BABUBHAI RATHOD, RAJESH MAKWANA, RAJU NAKUM, and other co-conspirators falsely recorded these kickback payments as reimbursements for other expenses including mileage, medical director fees, consulting physician fees, and contractual labor.

25. LINO S. DIAL, Jr., D.O., NATALIE SCHUTTE, P.A., ANDRE BLAIR SMITH, M.D., CLINTON JAMES CORNELL, P.A., JOHN ERIC ROBERTS, P.A., and others would refer Medicare and Medicaid beneficiaries to medical offices, rehabilitation facilities, and home health care companies owned and operated by BABUBHAI RATHOD for electrodiagnostic testing, physical therapy and home health care services in return for the receipt of kickback payments at set rates.

Overt Acts

In furtherance of the conspiracy, and to accomplish its object and purpose, at least one of the conspirators committed and caused to be committed, in the Western District of Michigan, one or more of the following overt acts:

26. In or about May 2011, RAJU NAKUM calculated the kickback payment to be paid to a physician for home health care referrals that the physician made between approximately January through April 2011.

27. On or about October 27, 2008, CLINTON JAMES CORNELL, P.A., referred a beneficiary for physical therapy services that were later submitted to Medicaid for reimbursement. On or about November 6, 2008, CLINTON JAMES CORNELL, P.A., received a check for \$700.00 from U.S. Rehab Services, P.C. falsely noting a payment for "Medical Exp."

28. In or about June 2011, ANDRE BLAIR SMITH, M.D., referred a beneficiary for physical therapy services later submitted to Medicare for reimbursement. On or about November 7, 2011, ANDRE BLAIR SMITH, M.D., received a \$100.00 check from Lakeshore Spine & Pain falsely noting a payment for "August Contractual."

29. In or about July 2011, NATALIE SCHUTTE, P.A., referred beneficiaries for services, including services for electrodiagnostic testing, physical therapy, and home health care

that were later submitted to Medicare for reimbursement. In or about August 2011, NATALIE SCHUTTE, P.A., received a \$1,200.00 check from Lakeshore Spine & Pain, falsely noting a payment for "Mileage - July."

30. In or about June 2011, LINO S. DIAL, Jr., D.O., referred beneficiaries for services, one or more of which was submitted to Medicare and Medicaid for reimbursement. In or about July 2011, LINO S. DIAL, Jr., D.O., received a check for \$600.00 from Lakeshore Spine & Pain, falsely noting a payment for "Mileage June."

31. On or about October 12, 2011, JOHN ERIC ROBERTS, P.A., referred beneficiaries for services, one or more of which was submitted to Medicaid for reimbursement. On or about November 11, 2011, JOHN ERIC ROBERTS, P.A. received a check for \$400.00 from Lakeshore Spine & Pain, falsely noting a payment for "Contractual - October."

32. On or about October 22, 2011, BABUBHAI RATHOD and RAJESH MAKWANA met with a physician to solicit participation in the conspiracy. BABUBHAI RATHOD offered the physician the opportunity to receive payments that would be disguised as mileage or bonuses for referring beneficiaries for other services including home health care. RAJESH MAKWANA agreed to calculate the monthly referrals for the physician and to designate the payments for referrals as mileage expenses.

All in violation of Title 18, United States Code, Section 371 and Title 42, United States Code, Section 1320a-7b(b).

COUNT 2
(Conspiracy to Commit Health Care Fraud)

Paragraphs 1 through 20 of the General Allegations section of this Superseding Indictment are realleged and incorporated by reference as if fully set forth herein.

33. Beginning by July 2010 and continuing through January 24, 2012, in the Western District of Michigan, and elsewhere, the defendants,

BABUBHAI RATHOD, aka "Dr. Bob,"
RAJESH MAKWANA, and
SANDEEPKUMAR KANTILAL PATEL,

combined, conspired, confederated and agreed with other persons, both known and unknown to the grand jury, to commit the following offense against the United States: to knowingly and willfully execute a scheme and artifice to defraud and to obtain money from Medicare, Medicaid and Blue Cross Blue Shield of Michigan (BCBSM) by means of false and fraudulent pretenses and representations in connection with claims submitted to Medicare, Medicaid and BCBSM for evaluation and management services, in violation of Title 18, United States Code, Sections 1347 and 1349.

Purpose of the Conspiracy

34. The purpose of the conspiracy was for Lakeshore Spine & Pain to fraudulently bill health care benefit programs and receive payments for evaluation and management services that were not rendered as billed.

Manner and Means of the Conspiracy

35. In order to receive reimbursement for services rendered by the medical practitioners at Lakeshore Spine & Pain to patients covered by a health care benefit plan, Lakeshore Spine & Pain was required to correctly identify the service or procedure performed by

a code that appeared in a manual called "Current Procedural Terminology" (CPT). Payment of Lakeshore Spine & Pain's claims by health care benefit plans depended in part on the complexity of the service or procedure as reflected in the CPT code submitted on the claim form.

36. RAJESH MAKWANA executed the scheme and artifice to defraud health care benefit programs by up-coding claims; that is, exaggerating the complexity of patient office visits performed by staff medical providers. RAJESH MAKWANA and BABUBHAI RATHOD further executed the scheme and artifice to defraud by directing others including SANDEEPKUMAR KANTILAL PATEL to up-code claims for services submitted to Medicare, Medicaid, and BCBSM, which were health care benefit programs as defined in 18 U.S.C. § 24(b), in that each was a public or private plan or contract, affecting commerce, under which any medical benefit, item, or service was provided to any individual, and included any individual or entity who is providing a medical benefit, item, or service for which payment may be made under the plan or contract.

37. CPT Code 99213 is a CPT evaluation and management code for patient office visits that involve problems of low to moderate severity and typically involve a fifteen-minute, face-to-face encounter with a patient. CPT Code 99214 is a CPT evaluation and management code for patient office visits that typically involve problems of moderate to high severity and a twenty-five-minute, face-to-face encounter with a patient.

38. Medical practitioners, at Lakeshore Spine & Pain, including physicians and physician assistants, filled out medical routing slips, sometimes referred to as super bills, that included commonly used CPT codes. The medical practitioners selected the codes based on the severity of the medical condition and the time spent with the patients.

39. By routinely submitting claims for reimbursement that reflected a more complex or higher level of service than the service the medical practitioners noted on the super bills, and a more complex level of service than was actually provided, and directing others to do the same, RAJESH MAKWANA and BABUBHAI RATHOD fraudulently obtained higher levels of reimbursement than Lakeshore Spine & Pain was entitled to receive.

Overt Acts

40. In furtherance of the conspiracy, RAJESH MAKWANA directed others to enter and submit claims for evaluation and management services that were a higher level than the services indicated on the super bills and a higher level than were actually performed by the medical practitioners.

41. In furtherance of the conspiracy, SANDEEPKUMAR KANTILAL PATEL entered and submitted a claim under CPT code 99214 to Medicare involving patient E.K. for an evaluation and management service on or about January 4, 2012 that was, in fact, designated by the medical provider as a CPT code 99213.

42. In furtherance of the conspiracy, SANDEEPKUMAR KANTILAL PATEL entered and submitted a claim under CPT code 99214 to Medicare involving patient M.P. for an evaluation and management service on or about January 4, 2012 that was, in fact, designated by the medical provider as a CPT code 99213.

43. In furtherance of the conspiracy, SANDEEPKUMAR KANTILAL PATEL entered and submitted a claim under CPT code 99214 to Medicare involving patient J.M. for an evaluation and management service on or about December 19, 2011 that was, in fact, designated by the medical provider as a CPT code 99213.

44. In furtherance of the conspiracy, SANDEEPKUMAR KANTILAL PATEL entered and submitted a claim under CPT code 99214 to Medicare involving patient J.L. for an evaluation and management service on or about December 13, 2011 that was, in fact, designated by the medical provider as a CPT code 99213.

All in violation of Title 18, United States Code, Sections 1347 and 1349.
